*Drill-down on the numbers directly from Excel*

The screenshot shows an Excel spreadsheet titled "Cash Flow Statement". A "Drill-down" menu is open over a data point in the table. The menu options are "Show All Columns", "Clear Filters", "Export to Excel", and "Drill-down". The table below has columns for Entry No., G/L Account No., Posting Date, Document Type, Document No., Description, Bal. Account No., and Amount. The data includes entries for Accum. Depreciation, Securities, Inventory, Purchase Requirements, Accounts Payable, and Resolving Credit, all dated 2/8/2019.

Entry No.	G/L Account No.	Posting Date	Document Type	Document No.	Description	Bal. Account No.	Amount

*Access and run reports from anywhere on the web with the Jet Hub*

The screenshot shows the "Jet Hub | Reports" web interface. It features a search bar labeled "Search Everything" and a grid of report categories: Budgets, Finance, Inventory, Operations, Purchasing, and Sales. Each category is represented by a folder icon with a small red circle containing the number '2'.
